## Victor Padilla, Commodore

Hello,

As I stated in last month's article, June was a busy month, about so was July. First there was the 3rd of July BBQ with fire works in the bay. We had over 100 people for our BBQ of hamburgers and hot dogs. The

firework display was unbelievable. We have the best viewing area at our little clubhouse.

Two days later was our Margaritaville party. Good food with tacos and all the trimmings. Music provided by a DJ. We danced till he had to leave.

Then, off to King Harbor Y.C. for a cruise out. Pam and I drove up on Saturday and had a great time with everyone who cruised up.

Coming up in August is our golf tournament on August 9th with a BBQ at the clubhouse for the Charity Regatta Golf Tournament. Then on August 24<sup>th</sup>, a Charity Regatta Champagne Brunch at our clubhouse.

Yes, my lovely wife is back home after being away for a month in Thailand. I remember Sylvia Wheeler said to me at about three weeks, "I miss Pam," and I said to her, "How do you think I feel?" I'm glad she is back home and safe. Her brother is doing so much better.

The city has replaced the sidewalk in front of our clubhouse with a new sidewalk. No longer will we have to look out for the uneven curb and sidewalk. I'm glad no one tripped over the old sidewalk and hurt themselves.

We will see you soon and don't forget we are having movie nights after the Friday potluck dinners.

You have been reading about the many activities planned for the upcoming months. We'll need volunteers to help set up these events as well as work during the events or help with clean up afterward. Be sure to contact Victor Padilla if you have a desire to help with one of these events.

**Remember;**

**"Volunteering** is generally considered an altruistic activity, and is intended to promote good or improve human quality of life, which in return produces a feeling of self worth and respect, but no financial gain. Volunteering is also famous for skill development, socialization and fun."

So far we have nineteen new members this year! Let's make an effort to seek out a new face,

introduce ourselves, and make these new members feel welcome at our club.

Also, bring in your friends to become members and join the fun and activities at our own Navy Yacht Club.

Bringing in your own liquor? Remember, the policy is that you may bring wine and pay a \$5 corkage fee per bottle. Please do not bring in beer or other liquor. If you have a special request for liquor, please make arrangements with Victor when you RSVP for an event.

Thank you!!

## August Events

### Golf Tournament and Burger

Bash, August 9<sup>th</sup>. Golf will be at Bixby Village Golf Course and Burger Bash will be held at Navy Yacht Club. Tee Times start at 8:00 a.m. and the cost is \$35.00;

see flyer on page 1 for more details. We still need golfers, so please give me a call. We have a very special treat this year as the Golf Team from the Special Olympics will be joining us. They need practice being in a tournament so they have chosen to join us for this event. From what I understand the girls are pretty good, so be warned!

Charity Regatta Brunch August 24<sup>th</sup> hosted by IOBG and Navy Yacht Club, held at Navy Yacht Club; see flyer for more details and how to make reservations. We will be charging \$25.00 for the brunch but Fern's Garden, a shop on 2<sup>nd</sup> Street has

given me a \$10.00 gift card for everyone who participates! There will also be plenty of raffle prizes from local restaurants, so come join the fun.

If you are interested in helping with these events please let me know. Still looking for prizes for the Golf Tournament; if you know anyone who can help get Golf donations please let me know at 562-212-7449 or [satnd1@msn.com](mailto:satnd1@msn.com).

Well that's all I have for now, so see you all around the clubhouse!

Hello all and Happy August! This is a busy month for events. On tap this month is the Cruise Out to Long Beach Yacht Club

August 1st – 3<sup>rd</sup>, the Charity Regatta Burger Bash at the clubhouse (hosted by

Jeanne Stafford) Aug 9th, the Charity Regatta Brunch Aug 24th, and the Labor Day Cruise In August 30 – Sept 1... Please be watching for the flyers for details on each event.

One event removed from the calendar this month is the Cruise Out to American Legion Aug 8 – 10. If we can reschedule before the end of the year we will try to do so. More info to follow.

Being the "Fleet Captain" I thought I should try to share some wisdom and information from things I've seen over time, so please enjoy the following:

### ELEVEN STEPS TO GET IN SHAPE FOR THE SAILING SEASON

1. Sleep on the shelf in your closet.
2. Replace the closet door with a curtain.
3. Six hours after you go to sleep, have a friend whip open the curtain, shine a flashlight in your eyes, and mumble "your watch."
4. Renovate your bathroom. Build a wall across the middle of your bathtub and move the shower head down to chest level.

5. Every time there's a thunderstorm, go sit in a wobbly rocking chair and rock as hard as you can until you're nauseous.
6. Buy a trash compactor and only use it once a week. Store up garbage in the other side of your bathtub.
7. Wake up at midnight and have a peanut butter and jelly sandwich on stale bread. (Optional: cold canned ravioli or soup).
8. Set your alarm clock to go off at random times during the night. When it goes off, jump out of bed and get dressed as fast as you can, then run out into your yard and break out the garden hose.
9. Use 18 scoops of coffee per pot and allow it to sit for 5 or 6 hours before drinking.
10. Raise the thresholds and lower the top sills on your front and back doors so that you either trip over the threshold or hit your head on the sill every time you pass through one of them.
11. Every so often, throw your cat into the swimming pool, shout "Man Overboard", run into the kitchen and sweep all the pots/pans/dishes off the counter onto the floor, then yell at your spouse for not having the place "stowed for sea."

As always, Happy Boating and see you soon!

For the past 6 years I have had the privilege of escorting some of the survivors of the Navy destroyer

*Frank E. Evans* in the Long Beach Veterans Day Parade. I drove them, along with their banner and guest, in my 1956 Chevy pickup truck. Their intentions have been to keep alive the memories of the 74 sailors who lost their lives in a collision with an aircraft carrier the South China Sea in 1969.

in For the last 10 years they have worked tirelessly to get the deceased crew members' names on the Vietnam Memorial Wall in Washington, D.C. Thanks to their hard work and dedication, new legislation in Congress could finally give the 74 lost sailors recognition on the Vietnam Memorial Wall.

Supporting these men in this way has been an honor for me.

(For more information see July 14th L.A. Times, page A6.)

We have some new members this month. Tim and Emma Bradley have a 17' Boston Whaler located in Alamitos Bay. Tim is now with the Navy Reserve.

Gregory and Holly Ann Lutes own an Ericson 30' and are docked in Shoreline. Tim is a Navy Veteran.

Robert and Ann Cummings have a 30' Catalina docked in Huntington Harbor. Robert is also a Navy Veteran.

Eileen McNeese is from Seal Beach. We welcome you all and look forward to getting better acquainted.
