Bring the whole family!

Victor Padilla,

Hello,

I hope that as you read this your Memorial Day was a pleasant one. It's not just a day to BBQ but more significantly it's a day to remember all those who have served in our armed forces.

We had a great turnout for our Mother's Day Brunch. The weather was clear and Bill Plumlee and Gary Halliburton once again manned the omelet station. We also had Pam's famous French toast casserole and quiches. Just in case you missed it, there are pictures now on our NYCLB website. I finally figured out how to post the pictures to the website and started with pictures from last year, then added events from the beginning of 2014. Check it out!

We hosted the Long Beach Singles Yacht Club for their Opening Day ceremony at our clubhouse. They had a great turnout and in return for using our area we set up the bar for them after the ceremony. They had food and music till about 4:00 p.m. I want to thank all who helped and our bartenders Dale West and Camille D'Esopo who did an exceptional job.

Coming up in June is our Cruise Out to Catalina Island this weekend, June 6-8, and our Father's Day BBQ on June 15th, and we are going to try something new on Friday the 27th. It is birthday night and "MOVIE NIGHT." We will set up an outdoor screen and watch the movie under the stars. I think it has been decided that the movie will be the classic "The Rocky Horror Picture Show," starting at dusk.

On a last note, Gary and Susan Halliburton and Pam and I attended Milt Valois's celebration of life memorial, which was held at Long Beach Y. C. As many of you know Milt had joined our club at the beginning of this year. Just in those couple of months he was everyone's friend. His daughter Pam mentioned that her dad enjoyed our Friday night potluck dinners and he always brought his famous oatmeal cookies. We posted his life story in the clubhouse and I would like you to read what Milt had achieved.

See you at the clubhouse,

Victor Padilla
Commodore

Gary Halliburton, Vice Commodore

Tale of the Sante' (sailing under the NYCLB Burgee) Newport Ensenada Race 2014

Friday morning April 25th the Sante' reached the starting line an hour early. Weather forecast: "A late season storm is dropping southward and a GALE WARNING has now been posted for the inner waters and includes part of the race course." The megaphone announced repeatedly before the beginning of the race, "**Racers unprepared for gale conditions or vessels not thoroughly outfitted consider your options carefully with regard to sailing the course.**"

The crew of the Sante' was determined to run the race in honor of its deceased owner, Milton Valois, NYCLB member and an Adventure Club member as were many of the five crew. Milton had looked forward to running this race himself under the flag of his newly attained NYCLB Burgee, as he often told me. The crew could not under any conditions forego this race. They were there to honor Milton.

The Sante' was amongst the first boats to begin the race. Under fairly brisk winds and a bit of chop they

sailed for the next 24 hours. In the late afternoon the winds and chop began to increase. Winds recorded at 29 knots at times. They tacked back and forth, trying to stay on a southerly course.

By nightfall they began taking shifts at the helm. Winds were now up to 35 knots with seas at 10 feet. The worst came at 2:00 a.m.; winds reached 40 knots. The Sante' pitched and rolled, and they lost hold of the jib sheet as the front sail wrapped uselessly around the forestay. The gusts whipped and the main sail jibbed making a loud bang and the sail ripped about halfway down from the top of the mast.

They were able to still make 7 knots as the wind lessened and the seas were following them. The Sante' finished 4th over 12 other boats, a respectable position in under 18 hours of grueling conditions. Milton would be proud.

Gary Halliburton

Jeanne Stafford, Jr. Staff Commodore

Charity Regatta Upcoming Events:

June Event

Dinner Dance will be held at Seal Beach Yacht Club on Saturday, June 21st by the Single Sailors Yacht Club of Long Beach. There is a flyer hanging at our clubhouse with all the information.

July Event

Swap Meet on July 12th at Seal Beach Yacht Club. Marina Yacht Club of Long Beach will be serving the annual Pancake Breakfast during the morning of the Swap Meet.

August Events

Golf Tournament and Burger Bash August 9: Golf will be at Bixby Knolls and Burger Bash at our

own Navy Yacht Club.

Brunch August 24th will be hosted by IOBG and Navy Yacht Club, held at Navy Yacht Club.

More information for these events will be in next month's newsletter.

The annual Charity Regatta benefits the Long Beach Children's Clinic. Anyone interest in helping with these events please let me know. Still looking for prizes for the Golf Tournament-if you know anyone who can help get golf donations please let me know at 562-212-7449 or satnd1@msn.com.

Well, that's all I have for now so see you around the clubhouse.

Jeanne Stafford

Jr. Staff Commodore

Dale West, Fleet Captain

Hello all and Happy June! On tap this month is the first Cruise Out to Catalina (Two Harbors) June 6th - 8th with several boats going early and staying late. Many events are planned and it should be a great time at the island! If you

plan to attend but have not yet RSVP'd please let me know soon.

Upcoming in July we will have a Cruise In event at the long dock to celebrate July 4th with music/DJ and the "Taco" masters from last year. Watch for the flyer!! Also in July we will be heading to King Harbor so be thinking about that cruise as well...Being the "Fleet Captain" I thought I should try to share some wisdom and information from things I've seen over time so please enjoy the following "rules"....

RULES OF THE SEA

1. Leaving the dock is optional. Every return is mandatory.

2. If you turn the wheel towards shore, the houses get bigger. If you turn the wheel away from shore, they get smaller. That is, unless you keep turning the wheel, then they get bigger again.

3. Sailing isn't dangerous. Sinking is what's dangerous.

4. It's always better to be on shore wishing you were out there, than out there wishing you were on shore.

5. The ONLY time you have too much fuel is when you're on fire.

6. When in doubt, stay out to sea. No one has ever gone aground on a wave.

7. A 'good' return to your slip is one from which you can walk away. A 'great' return is one after which you can use the boat again.

8. You know you've hit the dock hard if it takes all your bilge pumps running at full power for you to step onto the dock.

9. Stay away from clouds. The silver lining everyone keeps talking about might be a hail storm. Reliable sources also report that lightning has been known to hide out in clouds.

10. Always try to keep the number of departures you make from your slip equal to the number of returns you've made.

13. There are three simple rules for making a smooth return to your slip. Unfortunately no one knows what they are.

14. If all you can see out of the window is water that's going round and round and all you can hear is commotion coming from the cockpit, things are not at all as they should be.

15. It's always a good idea to keep the pointy end going forward as much as possible.

16. Always step up, never step down into a life raft.

As always, Happy Boating and see you soon!

FIC and Social Chair

Dale West

Navy Yacht Club Long Beach Racing

You never enjoy the world aright, till the sea itself floweth in your veins, till you are clothed with the heavens and crowned with the stars.

Thomas Traherne

Tony Rietdyk, Race Chairman

For the first third of the year our racing members are bringing home some gold, silver and bronze hardware; the following skippers mentioned below should be congratulated for the outstanding job they did with handling their boat and crew.

Chris Mewes J109 "Shadowfax"
Bronze in the Saturday Sailor Series

(Five races) PHRF A2

Gold in the Yachting Cup (Seven Races) J109 Class

Gold in the Thursday Evening Pop Tops (Four Races)

PHRF A2 also leads in the Area C Cup

Paul Turang Catalina 30 "Dawn Patrol"

Silver in the Saturday Sailor Series (Five races) PHRF C

Silver in the Thursday Evening Pop Tops (Four Races) PHRF D

Silver position in the Long Beach Island Series PHRF D (after two races)

John Setchell Santa Cruz 33 "Windfall"

Silver position in the Long Beach Island Series PHRF B (after two races)

Guy Rosenlof Hunter 29

Gold position in the Long Beach Island Series PHRF D (after two races)

Bill Barham Ranger 29 "Latitude"

Is only two points out of a medal position but there's eight races left.

Lisa Meier in her chartered Catalina 37 "Spicegirls"

Bronze in the First Wet Wednesday Series Catalina 37

One Design (Five Races)

When you see them, please congratulate them for their outstanding efforts.

S/C Tony Rietdyk

Race Chairman

Roy Queen, Rear Commodore

On Saturday, May 17th NYCLB hosted the Singles Yacht Club for their Opening Day ceremony. Tony Rietdyk had decided to disassemble the shotgun before the ceremony was to begin so that we could have an extra round for the flag salute. Well, as parts went flying from a large pressure spring,

I thought Tony might have pushed his luck just a bit. I should have known better. No problem... in less than five minutes, we had it reassembled, locked and loaded, and ready for action. Good job, Tony. It was a great afternoon.

I'm pleased to announce our five newest members for the month of May:

Leslie Scott Galberath and his wife **Nicole Canon**: Les served in the Navy and now lives in Sebastopol, California. They have a Newport 30.

Joyce Jackson: Joyce is a member of the U.S. Naval Sailing Foundation and lives in Lakewood.

Carl and Sandra Bippus: Carl served in the Navy. He and Sandra live in Long Beach.

Robert and Sylvia Mauricio: Robert also served in the Navy. They live in Seal Beach and own a Laguna 30.

Patricia Owens: Patricia owns a Morgan 38. She lives in Long Beach. She is also a member of the U.S. Naval Sailing Foundation.

Please join me in welcoming them to Navy Yacht Club!

I look forward to meeting you all and getting better acquainted.

Roy Queen

Rear Commodore

Quiche Lorraine

Pie crust:

- 1 1/4 cups all-purpose flour
- 2 teaspoons salt, divided
- 1 stick cold unsalted butter, cut into pieces, plus 1 tablespoon
- 3 to 4 tablespoons ice water
- 1 egg white

Filling:

- 6 ounces ham or lean bacon, diced
- 2 large onions, thinly sliced
- 1 teaspoon chopped fresh thyme leaves
- 1/2 cup grated Gruyere cheese
- 3 eggs
- 1 1/4 cups heavy cream
- 1/4 teaspoon freshly ground black pepper
- 1/8 teaspoon freshly grated nutmeg

Directions

For the pie crust:

In the bowl of a food processor combine the flour, 1 teaspoon of the salt and 1 stick of the butter and process until mixture resembles coarse crumbs. While the motor is running, add water in tablespoon increments until dough comes together to form a ball. Transfer dough to a lightly floured surface and shape into a flat disk. Cover with plastic wrap and refrigerate overnight or for at least 1 hour.

Remove pie crust from refrigerator and preheat oven to 400 degrees F.

Roll out the pie crust on a lightly floured surface to fit a deep 9 or 10-inch pie pan. Place the dough in the pie pan and crimp edges decoratively. Refrigerate at least 30 minutes, then line with aluminum foil. Fill with pie weights and blind bake for 12 to 15 minutes, or until lightly golden around the edges. Remove foil and pie weights and return to the oven for 3 to 5 minutes. Remove from the oven and brush the surface of pie crust with a light coating of egg white and allow to cool.

For the filling:

In a saute pan melt the remaining tablespoon of butter over medium-high heat. Add the ham or bacon and cook until browned. Using a slotted spoon, remove the ham from the pan and drain briefly on paper towels, then scatter ham over the bottom of the blind-baked crust. To the fat remaining in the pan, add the sliced onions and thyme and cook, stirring occasionally, until onions are very soft and lightly caramelized, about 6 minutes. Scatter the onions over the bacon in the pie crust and top with the grated cheese.

In a large bowl whisk together the eggs, heavy cream, remaining 1 teaspoon of salt, pepper, and nutmeg. Pour the egg mixture over the ham, onions, and cheese in the pie shell, adding just enough of the egg mixture to come within 1/4-inch of the top of the shell. Bake on the bottom rack of the oven for 45 to 50 minutes, or until the custard is set and quiche is golden brown on top. Allow to cool slightly before serving.
