Hello

Well, another busy month behind us. We had the Eric Stone Band at the beginning of the month and had a great time as usual. He does enjoy coming out to the west coast and playing at our clubhouse. I know we will see him again next year. We also had our Luau with a roasted pig. I want to thank Bill and LaVon Plumlee for preparing the main dish. I know that Bill had to start early in the morning just to start the fire and then roast the pig.

As I said in my speech at our opening day event, I really just do the talking and my wife Pam is the one who makes sure that I follow up with the new improvements to our clubhouse. She is the one who said we need new vertical blinds; she suggested we could use a cabinet to hold the bar items; she did the two window treatments in the fridge area, she sewed the new canopy shade over the outside seating area; and thought of adding new lights outside to give us some light in the

evening hours. She has been very busy this year. I couldn't do this without her.

We are looking for persons who would like to be part of our board of officers. If you are interested, let myself or any board member know.

Last month I said I would like to have at least 25 new members by the end of this year and we are up to 28 as of the beginning of October. These new members have told me that it's the people in our club that bring them back to join the club.

This year our Annual General Membership Meeting/Dinner will be held at the Navy Golf Course in Cypress on November 8th. We will have a buffet dinner like we have had in the past. Please think about attending this wonderful event. It's the evening that we elect our incoming officers.

Thank you all for supporting me as your Commodore. I couldn't do it without you.

Can you believe October is already here? It seems this year has gone by so quickly for me. I must be enjoying it since if I wasn't it would seem October would never have arrived.

So much has been accomplished this year. Our club has never been so busy. We have hosted more events this year than I can remember. Most of the functions have been put together by Pam and Victor. They are the ones who have really been busy. We have a new cover for the patio area, the trees have been trimmed and the clubhouse painted. You are welcomed by two lights as you enter, red left and green right, same as when you leave. We have new

barbecues and heaters. The barbecues have been hot, but the weather has been so great that the heaters have not had much, if any, use.

Also we have so many new members this year, I think we have broken a record with new members.

Our club is doing well financially. The board has felt it could provide a free barbecue, and will also help defray the cost of the upcoming annual meeting. Hope to see you there.

Navy Yacht Club Long Beach Racing

There is no more thrilling sensation I know of than sailing. It comes as near to flying as man has got to yet—except in dreams.

Tony Rietydyk, Race Chairman

Summer is over and I usually like to write about the Navy Yacht Club Long Beach members who do well racing with our club and other yacht clubs. Since there are still two ongoing Series I will defer this until next month.

That reminds me that also next month we have the Navy Day Regatta and I would like to see all the NYCLB sailors race in this event, please. Go to our website at <http://www.nyclb.com> for the NOR, Course Charts and SI's. It will be two races on Saturday the 18th. The first race will be a short sprint around a weather buoy with a downwind finish, I hope, and the second a longer race around a number of buoys with a finish by the club. After the race we'll enjoy libations, food, a lot of camaraderie and of course trophies from our sponsors, Spicegirls, UK Sails and West Marine. Hope to see all of your boats out there; till then keep on racing.

New membership: yes, it may seem like a boring topic to discuss but.....it needs to be mentioned, and that job falls to me, your Rear Commodore. I want you all to know, that we have in fact, added a good number of well qualified members to the club this year. I just want to remind everyone that without new members, our club will not stay the active and thriving club it presently is.

I want to encourage you, that if you think someone you know might make a good member, please invite them out to one of our Friday night potluck dinners.

This month we welcome Jack Faucett and his wife Julie. They are residents of Seal Beach and have a Newport 33 named *Hallelujah*. I look forward to getting acquainted with them at one of our upcoming events.

Save the date for the Annual Membership Meeting on Saturday, November 8th . See Scuttlebutt flyer regarding this event for more details.

Our 2015 NYCLB Nomination Committee has met and the Board has approved the ballot for 2015 which is on the next page of this newsletter. If you are not attending the November Membership Meeting, please submit your absentee ballot to our Commodore (address on the Ballet) to arrive at least two days before the membership meeting. You may also bring it to the meeting. Ballots will be available at the meeting for all in attendance who haven't brought a Ballot, or if you send in your absentee ballot you can change your vote at the meeting by filling out a new ballot and submitting it no later than 30 minutes before the meeting begins. There is an opportunity to write in additional

candidates on your ballot and nominations will be taken from the floor at the meeting.

Please send in your ballot for the purposes of establishing a quorum even if you do not cast a vote.

Members will have the opportunity to meet the candidates on Friday, October 17th at our regularly scheduled Friday Potluck so don't miss this event to get to know the nominees and ask them their opinions and ideas for next year.
