## Gary Halliburton, Commodore

Summer is just around the corner and the Navy Yacht Club Long Beach is almost ready to begin our celebration. There has been a mess up until now with the renovation of the fuel dock tanks, but it looks like June 6<sup>th</sup> may be the end and we will finally have our parking lot back.

We held the Opening Day for Long Beach Singles Yacht Club at our Clubhouse on May 16<sup>th</sup>. Many helpers from our club were there to make the day for Long Beach Singles. We provided the bar and bartenders for the event. Tom Baker was very generous with his time to help set up the bar, even though he had company coming to his house later in the day. Roy Queen and Brenda Cuzzi donated their entire day to bartending. I thank you all very much for your efforts. The money earned from this event goes to our club and will help to defray the rent. We did have fun along with the work because Opening Days are always a fun affair with plenty to eat and drink, and to celebrate that there is no more ice blocking the entrance to the harbor and boating is about to begin.

Well, we may not have had ice blocking our harbor, but there have been other obstacles, like many of the docks being emptied of boats to make way for new docks. Some of those are anearly ready for occupation by mid-June, so many of our members will gladly be able to return to local docking.

Father's Day is also around the corner and we have a great BBQ planned to celebrate it. I look forward to seeing you there on June 21<sup>st</sup> at the clubhouse.

Please be aware on Saturday, June 27<sup>th</sup> there will be a private party at the clubhouse.

Gary

## **Roy Queen, Vice Commodore**

---

Greetings Friends,

I love our club! I may have said that before, but, I really mean it. The community spirit and support for each of the various yacht clubs in our local Southern California area is wonderful. I say this because of the experience I had during the Single Sailors Yacht Club Opening Day, which was held at our club house on May 16<sup>th</sup>. I was very impressed by the spirit of camaraderie and friendship I witnessed that day. The Single Sailors club members and their guests were so appreciative. I lost count of the number of times I heard them say thank you. And they really meant it. Now, I may be the only one writing about it, but I wanted to share how much fun I had and the new adventure it was for me working behind the bar. Tommy Wheeler had asked me a while back if I'd come help out, I said yes, but knew I was stepping into a job I knew little about. Arriving early to help set up, I was surprised to see Brenda already there, having set things up. She told me she had lots of experience tending bar, so I knew I was in for a time of learning and fun. Her enthusiasm and excitement set my worries at rest. We had a great day. She is a good teacher. Thanks Brenda!

Winter may be over, but with the cooler temperatures and May rain, you'd think we were still on the back side of winter. I can't remember a wetter May, but I'll take any rain the heavens want to bring our way. We're all doing what we can to conserve water. I think everyone in Southern California is trying to be water wise.

I'm really looking forward to June, and the great days of summer. We have Father's Day, the 4<sup>th</sup> of July and lots of great BBQs to look forward to. Our club house will be a busy place. Some of the newer members may not be aware of our annual trip to Catalina. We cruise over and anchor at Two Harbors. This year's cruise begins this Friday, June 5<sup>th</sup> returning on Sunday, June 7<sup>th</sup>. I hope to see many of you there.

Roy

## Victor Padilla, Jr. Staff Commodore

Hello from your Jr. Staff Commodore,

I can't believe that June is upon us, with half the year almost gone. We had a great turnout for our Mother's Day Brunch. The weather could have been less windy but it did not rain and the sun was out all day. Bill Plumlee and Gary Halliburton once again did an outstanding job of cooking the omelets. I have to tell this story about Gary getting ready to cook the first omelet and of all people it was his mother-in-law. He put in her items to sauté and added the eggs, and then he thought he'd impress her by flipping the omelet and catching it in the pan. I think you can guess what happened; yes, 2/3 of the omelet fell to the ground. We all had a chuckle and I quickly swept up the fallen food. In hindsight I should have taken a picture and posted it in the Scuttlebutt. We had help from many of our members and I want to thank them once again for making our Mother's Day Brunch a huge success.

Our next event will be the Father's Day BBQ. We will have our traditional Tri-Tip and Chicken. Pam and I will be looking for some of the newer members to help out for this event. Helping to cook, check in members and collect money, help setup and take down the tables and chairs, and other items. I say newer members because there are always the same regular members who constantly help out every month; I would like to see our newer members chip in with help and also meet our membership.

I'll ask all members if you have an idea for a new event send me an email ([tangentvp@gmail.com](mailto:tangentvp@gmail.com)). I thought that maybe some would be interested in having a "Texas Hold'em Tournament. We could have it out on the lawn area in the summer.

Thank you,  
Victor

## **Becky Martinez, Rear Commodore**

---

Hello All,

We are on our way to a very exciting season! All events have been successful with excellent attendance, food and participation. But most of all, everyone has pitched in to help at events, making our club the best that it can be.

New membership enrollment has nicely increased, thanks to our membership committee: Marge Howard, Pam Padilla and Sylvia Wheeler. A special thank you to our entire membership for inviting your friends to join in on the fun.

Let's start this season off as a safe and joyful season!

# Race Committee Chair

*Camille D'Esopo*

Dear Members,

It was a fine day on the water May 9 when thirteen racers came out to compete in the Armed Forces Day Regatta. This year's race was sponsored by Spice Girls' Lisa Meier, who also provided the coveted trophies: bottles of rum and wine!! The race was followed by tacos and all the trimmings at the clubhouse provided (as always!) by Becky Reitdyk.

Our first and second place winners were:

PHRF A:      DOS AMOGOS DOS (1st)  
                  RAPTOR (2nd)  
PHEF B:      CARDINAL SIN (1ST)  
                  ONE TIME (2nd)  
NON-SPIN:   PAC WOLF (1st)  
                  WINDHAVEN (2nd)

Congratulations to the skippers and their crews!

Be sure to mark your calendars for September 19 for the All Hands Race, and October 17 for the Navy Day Regatta.

The marks report on our website ([nyclub.com](http://nyclub.com)) is up to date with the following addition: Mark 82 is in the water and standing tall!

Safe adventures on the water!  
Camille
